Ladies' Day 2010

Saturday, April 24, 9 am - 11:30 am

Martin church of Christ

Our speaker will be Casandra Martin, best-selling author of a series of Bible study workbooks for women entitled Women Opening the Word. She loves teaching women. Mrs. Martin says, "I have a passion for teaching women about Jesus. There is something so special about women coming together to learn from God's Word." After studying Casandra Martin's books for several years, we are excited to have her coming here to speak to the women of West Tennessee. The young ladies of the Martin church of Christ will direct the song service. Light refreshments will be served.
